To remove a troublesome corn or bunion: "First soak the corn of bunion in warm water to soften it, then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled." For sale by all druggists.

## RECOVERED ANIMAL

But Thief Will Probably Never be Apprehended.

Mr. A. R. Parker, who had a fine mare stolen from his stable about three weeks ago, has recovered the animal, but the thief is still at large and will probably never be apprehended. The mare, which had evidently been turned loose near Julien, made her way into Mr. B. J. Wall's field, between Julien and Gracey, and was taken up by Mr. Wall. Mr. Parker, who had advertised the fact of the theft, was notified by Mr. Wall of the whereabouts of the animal.

## Can You Afford To?

Can you afford to experiment with unknown and untried brands of Fertilizers, when you can get right here what you know to be good? Soils are of great variety, what suits your farm may not be adapted to your neighbor's. Experimenting may mean the loss of a crop, as well as the amount invested in Fertilizers. Every farmer knows Armour and Homestead, Eagle and Ox Brand Fertilizers. They are no experiment. **Its Time to Put in Your Order Now** if you want it to come forward with shipments for Early Fall seeding.
